NOTICE OF PROPOSED RULE MAKING

Adopted: February 24, 1999

Released: March 5, 1999

Comment Date: April 26, 1999

Reply Date: May 11, 1999

By the Chief, Allocations Branch

1. Before the Commission for consideration is a petition for rule making filed by Jeffrey Mark Tillery ("Tillery") proposing the allotment of Channel 244A at Cedar Key, Florida, as that community's second FM broadcast service.¹ Tillery indicated that he would file an application at Cedar Key if a channel is allotted to the community.²

¹ Petitioner requested the allotment of Channel 257A at Cedar Key. However, in order to avoid a conflict with a petition filed by Levy County Broadcasting proposing the allotment of Channel 257A at Gulf Hammock, Florida, a staff engineering analysis has determined that Channel 244A can be proposed for Cedar Key, Florida, in lieu of the requested Channel 257A. The Commission considers channels of the same class to be equivalent unless showings have been made that a station cannot be constructed for reasons such as environmental consequences or air hazards. See *Vero Beach, Florida*, 3 FCC Rcd 1049 (1988), rev. denied, 4 FCC Rcd 2184, 2185 (1989).

² Although petitioner's request was signed, he failed to include an affidavit verifying that the statements contained in the petition were accurate to the best of his knowledge. Section 1.52 of the Commission's rules requires that the original of any document filed with the commission by a party not represented by counsel shall be signed and verified by the party and his/her address stated. In the absence of such verification, the petition may be dismissed. Section 1.401(b) of the Commission's Rules concerning rule making proceedings places petitioners on notice that their proposal must conform with the requirements of Section 1.52 regarding subscription and verification. See also *Amendment of Sections 1.420 and 73.3584 of the Commission's Rules Concerning Abuses of the Commission's Processes*, 5 FCC rcd 3911, n.41 (1990). Tillery is requested to rectify this omission in his comments.

2. We believe the public interest would be served by proposing the allotment of Channel 244A at Cedar Key, Florida, since it could provide the community with additional broadcast service.³ A Commission analysis indicates that Channel 244A can be allotted to Cedar Key, Florida, in compliance with the Commission's minimum distance separation requirements without a site restriction.⁴

3. Accordingly, we seek comments on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:

Community	Channel No.	
	Present	Proposed
Cedar Key, Florida	274C3	244A, 274C3

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. Interested parties may file comments on or before **April 26, 1999**, and reply comments on or before **May 11, 1999**, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D. C., 20554. Additionally, a copy of such comments should be served on the petitioner, as follows:

Jeffrey Mark Tillery
2104 Southwest 42nd Avenue
Ocala, Florida 34474

6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981.

³ Cedar Key has a population of 668 people according to the 1990 census. The 1998 Rand McNally Commercial Atlas indicates that Cedar Key is incorporated and has its own post office and zip code.

⁴ The coordinates for Channel 257A at Cedar Key are 29-08-12 NL and 83-02-06 WL.

7. For further information concerning this proceeding contact Kathleen Scheuerle, Mass Media Bureau, (202) 418-2180. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in this proceeding.
